SUMMARY

Final-year Marketing student at Tunis Business School, certified in Meta, Google, Semrush, and HubSpot. Seeking an end-of-study internship in digital marketing, marketing analytics, or product management, with a focus on data-driven strategy and customer-centric growth.

PROFESSIONAL EXPERIENCE

Communications & Digital Marketing Assistant (Part-Time) — Parapharmacie Jasmin **Oct 2026 – Present**

- Support digital marketing strategy, content planning, community communication, and performance tracking across social media and digital channels, using audience feedback and platform insights to inform content recommendations

Marketing & Digital Marketing Intern — Parapharmacie Jasmin **Jun 2026 – Aug 2026**

- Support digital marketing planning and social media execution through content ideas, copywriting, creative briefs, campaign organization, and performance monitoring

Marketing & Digital Marketing Intern — Parapharmacie Jasmin **Jun 2025 – Aug 2025**

- Support social media content creation and digital communication, contributing to product/competitor research, content planning, and day-to-day marketing coordination

HR Management Intern — Société Essaada Agriculture **Oct 2024 – Jan 2025**

- Support routine HR administration and employee documentation while gaining exposure to recruitment, onboarding, employee follow-up, and internal HR coordination processes

HR Management Intern — EL AMEN+ **Jun 2023 – Aug 2023**

- Complete an entry-level discovery internship supporting HR administration and personnel documentation, with practical exposure to recruitment, employee records, onboarding, and internal HR processes

ACADEMIC PROJECTS

Power Cups — Digital Marketing Strategy (Digital Marketing Course) *May 2026*

- Built a full digital marketing strategy (STP, personas, RACE framework) for a Tunisian D2C brand, from audit to a 6-month campaign roadmap
- Designed SEO, social media, and website/UX recommendations, including a micro-influencer program

From Bounce to Buy — Predicting Purchase Intent (Business Data Mining Course) *Apr 2026*

- Built a Random Forest model (95.29% accuracy) predicting purchase intent from 12,330 sessions; modeled targeting scenario projected a 509% ROAS improvement vs. broad targeting
- Segmented users into 4 actionable marketing personas (Hot Lead, Price Sensitive, Research Mode, Lost Cause)

Marketing Campaign Performance Optimization (Data Analysis Course) *Dec 2025*

- Analyzed 10,000 campaigns using PCA, K-means, and decision trees in R to identify key ROI drivers and guide budget reallocation
- Delivered recommendations on budget reallocation toward influencer campaigns and acquisition cost caps

Miel Boumiza — International Market Entry Strategy (International Marketing Course) *Dec 2025*

- Developed a market entry strategy for Algeria (market sizing, entry mode, glocalized marketing mix) for a Tunisian honey brand
- Designed a communication strategy balancing standardized branding with localized messaging (Darija content, local influencers)
